

G-Powered goes to Holland

Positive Gaming, the leading European manufacturer of dance mats and dance games invited G-Powered to throw a gig in the "*Positive Gaming Machine Dance European Championships 2008*" in Holland. G-Powered will perform live in the tournament on 14 March 2008, which will mark the band's very first performance outside Finland.

The G-Powered vocalist Miia will arrive in Holland directly from South Africa, where she has stayed as an exchange student since 13 January 2008.

The live performance in Holland will include several new songs that were recorded prior to Miia's departure to Africa.
